Is your church interested in hosting Red Dress Sunday?

Each year, Saint Agnes Hospital works with one church to host Red Dress Sunday by inviting Executive Members of our organization, Local VIPs and the media. In order to accommodate this event, a church must:

1. Fall within City Limits
2. Have ample parking and easy access for media
3. Have been an active member in Red Dress Sunday for a minimum of two years

If your church is interested in being named the Media Church next year, please share some additional information:
